ADICHUNCHANAGIRI SHIKSHANA TRUST - THE FOUNDER

Bhairavaikya Parama Poojya Jagadguru
Padmabhushana Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji

Sri Adichunchanagiri Mahasamsthana Math situated in the state of Karnataka is a socio-spiritual centre which has the history of 2,000 years to its credit. It has the holy lineage of spiritual masters which was initiated by Lord Shiva at the end of deep penance at Sri Kshetra Adichunchanagiri. The Dharmapeeta, thus established by Lord Shiva witnessed 71 Jagadgurus. The Math attained the height of excellence and prosperity after the 71st pontiff His Holiness Bhairavaikya Jagadguru Padmabhushana Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji assumed the religious throne.

His Holiness started the Trust to work towards the welfare and betterment of the society. He found that education is the best means to transform the society. He started working for the betterment of common people, particularly those of rural areas. Along with educational institutions destitute centres, institutions for physically and intellectually challenged, old age homes, hospitals and healthcare centres are run under the Trust.

To establish communal harmony in society for peaceful life, Math conducts inter religious faith conferences. Under the presidentship of His Holiness, 'Foundation for Unity of Religious and Enlightened Citizenship – FUREC' was started. The trust promulgates peace, justice, freedom, concern and progress for all especially the downtrodden and strives to engage men and women of high professional competency, moral integrity and dedication.

Poojya Sri was born on 18th January 1945 at Banandur in Bidadi to Sri Chikkalinge Gowda and Smt. Boramma as Gangadharaiah. He completed graduation in Science from Government Arts and Science College, Bengaluru. Motivated by the desire to serve God and people, he chose spiritual life. Opportunity came on his path in the form of an advertisement seeking Pontiff for Sri Adichunchanagiri Math. His spiritual inclination drew him to the Math and Gangadharaiah was given deeksha on 12.02.1968 by Sri Sri Sri Ramanandanatha Swamiji, the then pontiff of the Math. He mastered Vedas in the initial years and was appointed as the 71st pontiff of the Math on 24th September 1974.

Mahaswamiji's mission was to establish global peace and universal brotherhood through spiritual, educational, healthcare, environment, social, moral and cultural activities. His contribution to the mankind is uncountable and unique. The great chunk of his donation is towards lighting the candle of knowledge, that is education. His Holiness started more than 480 educational institutions across the globe where more than one lakh students from different cross sections of the society are quenching their thirst of knowledge. Transcending conservative notions of religious boundaries, gender biases and caste divisions, Mahaswamiji worked towards creating a society of equal opportunities for all. He is a God given gift to the society. On 30th March 2010, Mahaswamiji was conferred with the Padmabhushana in a ceremony held in Rashtrapathi Bhavan. Sri Mahaswamiji, the spiritual and cultural ambassador has attained the feet of Lord Bhairava on 13th January 2013.
